DELIMITATION COMMISSION, INDIA

NOTIFICATION

New Delhi, the 31st March 1975

S.O. 160(E).—In pursuance of clause (a) of sub-section 2 of section 9 of the Delimitation Act 1972, and in continuation of its Notification No. 282/PB/75, dated 10 March, 1975, published in the Gazette of India and in the Punjab Government Gazette on 10 March, 1975, containing proposals for the delimitation of parliamentary and assembly constituencies in Punjab, together with the dissenting proposals received from the Associate Members, the Delimitation Commission hereby publishes the further dissenting proposals received by it from the Associate Members:—

DISSENTING PROPOSALS

I

I suggest the following changes in respect of Assembly Constituencies of Jullundur South (S.C.) and Kartarpur (S.C.)

I find that Patwar Circles No. 54-Kallian Pura and 55-Malko have been shown as part of the Jullundur South (S.C.) Constituency. My suggestion is that these two Patwar Circles should be excluded from Jullundur South (S.C.) and included in the Kartarpur (S.C.) Constituency and similarly Patwar Circles 50-Chitti and 51-Sangha be excluded from the Kartarpur (S.C.) Constituency and included in the Jullundur (South) (S.C.) Constituency. By doing so, the area of both these constituencies will become compact and more contiguous. I am sending herewith the proposal of the Delimitation Commission marked 'A' and my suggestion marked 'B'. I hope my suggestion would be approved.

Proposals for the reconstitution of Phillaur and Nurmahal Constituencies for the following reasons.

Reasons for the above alternations are as under

1. In 1962 General Elections Barapind K.C. was with the Phillaur K.C. and was thus known as Phillaur Assembly Constituency. Now when this Barapind Constituency is going to be merged with the other constituencies the first preference should be given to the Phillaur Assembly Constituency to get the P.C.s. from the Barapind K.C. near or adjoining to it.

2. While the alternations proposed above are made, the plan of Phillaur Constituency becomes very straight i.e. along with the G.T. Road.

3. The P.C.s. proposed to be with the Phillaur Constituency are already in Block Samiti Phillaur and the P.C.s. proposed to be given to the Nurmahal Constituency are mostly with the Block Samiti Nurmahal and Block Samiti Rurka.

4. The proposed P.C.s. have natural contacts i.e. Road approach and Railway approach etc. The main Railway line and the G.T. Road divide these two constituencies of Phillaur and Nurmahal.

5. The proposed P.C.s. for Nurmahal Constituency are situated near and along the Nurmahal Road. Moreover, by the proposed alternations, near about no change in the total number of voters will occur.

6. The Phillaur constituency's main boarder is adjacent to an other reserve constituency Banga, that is why some other constituency should be reserved.

7. Aur K. C. Part of Phillaur constituency is part of Nawan Shehar Tehsil, which have already Banga K.C. some P.C. of Nawan Shehar Tehsil in Banga reserved constituency. That is why Phillaur constituency should not be declared reserved constituency.

Phillaur Constituency should be as under:—

	Total	S.C.
1. K.C. Phillaur (excluding Muthala Kalan P.C. Haripur 58 P.C. Ganapind 59 P.C., Ramgath 60 P.C. and Shahpur 63 P.C.)	47,949	18,146
2. All P.C.s. in K.C. Aur in Nawanshehar Tehsil	62,349	21,123
3. P.G.s. in K.C. Barapind	18,954	5,280
50 P.C. Goraya	6,933	1,533
